Terms and Conditions

General Terms and Conditions

General terms and conditions are applicable to all courses. Any additional terms and conditions which are course specific are detailed under the course heading.

By applying for a course, you are confirming your agreement to be bound by these terms and conditions.

The College will advise you on your course entry point and upon application you will need to supply the name of the person at Oxford Professional Education Group (OXPEG) who has verified your entry level.

The fee, for any course at any given time, will be displayed on the website or will be notified to you by an OXPEG representative. Fees are quoted in pounds sterling, exclusive of VAT and additional accredited body charges unless stated otherwise will apply. Delivery charges payable in relation to delivery of study materials, if applicable, are order specific and may vary, the correct delivery charges for your order can be confirmed by contacting an OXPEG representative.

Registration can be cancelled within 14 days of enrolment to OXCOM Learning. A full refund will be given within 14 days of cancellation, however if the delegate has accessed OXCOM Learning and/or attended any classes there will be a cancellation fee.

OXPEG reserves the right to cancel a course or change a schedule for any course. In such cases all delegates will be given due notice and the option of a venue change, study method change or course cancellation. In cases of a course cancellation by OXPEG, a refund will be offered if alternative options are not viable for the delegate.

To keep optimum delegate experience, classes are subject to minimum numbers. Where there are insufficient numbers, delegates will be offered an alternative venue.

We will be using video technology such as Zoom and Microsoft Teams. For virtual classes, these are recorded for internal quality control purposes only. In exceptional circumstances, recordings may be shared with students who have approved reasonable adjustments and this will be for a maximum period of 14 days. This is assessed on a case by case basis by OXPEG.

Delegates who are travelling to attend classes must contact OXPEG to inform them of their plans prior to booking travel and/or accommodation. Delegate expenses for class cancellations are non-refundable.

The fee for any course does not include fees payable to the Awarding Body unless otherwise stated. In order to gain certification, it is usually necessary to pay directly to the Awarding Body a fee for membership and an assessment fee for each unit.
Payment Terms

Payment of OXPEG fees must be made prior to the commencement of the course. Details of how to make payment can be found in the quote sent to you via email by one of our course advisers.

Employer Funded Delegates

For employer funded delegates an invoice for all course modules (or those applied for) will be raised within 48 working hours upon receiving an application form and must be paid within 30 days of invoice date. Employer funded delegates will gain access to OXCOM Learning once the employer has either paid the invoice, has confirmed in writing that they are sponsoring the delegate or if a PO number has been supplied. If the PO relates to one of our APM courses, then please note this will enrol you onto the course only, you will only be able to sit the exam once full payment has been received.

Cancellations made after 14 days of the initial enrolment will not be eligible for a refund. If the delegate is eligible for a refund but has accessed OXCOM Learning and/or attended any classes, there will be a cancellation fee.

Failure to settle any outstanding balance will result in loss of access to the OXCOM Learning and in more severe cases the withholding of pending assignments / assessments due for submission to the Awarding Body.

If for any reason the named delegate is unable to attend the course the Client has the right to appoint a replacement delegate within two years of the original invoice date.

Self-Funded Delegates

Self-funded delegates are required to make either payment in full, for one module or choose a payment plan option.

Interest free payment plans are available for some qualifications and are subject to monthly consecutive payments.

On a 9-month payment plan breaks can be taken after the 3rd and 6th instalment have been paid. On a 6-month payment plan breaks can be taken after the 2nd and 4th instalment have been paid.

Please note, if a delegate defers a module or takes a break from their studies, this does not defer any outstanding modular payment. Payments must continue against the outstanding balance.

On a 9-month payment plan updated course access will be received on the 1st, 4th and 7th payment. The cost of each module is split in to 3 instalments.

On a 6-month payment plan updated course access will be received on the 1st, 3rd and 5th payment. The cost of each module is split in to 2 instalments.
We do not store any bank/card details on our systems, therefore it is the delegates responsibility to ensure payments are made in a timely manner, and we would recommend setting up a standing order.

We will not automatically send out any reminders unless your payments are late.

Failure to settle any outstanding balance will result in loss of access to OXCOM Learning and in more severe cases the withholding of pending assignments / assessments due for submission to the Awarding Body.

Cancellations made after 14 days of the initial enrolment will not be eligible for a refund. If the delegate is eligible for a refund but has accessed OXCOM Learning and/or attended any classes, there will be a cancellation fee.

CIM Courses

When a full course is purchased, support is for a maximum of 3 years, commencing from the enrolment date onto OXCOM Learning. For delegates who opt to pay on a modular basis, support will be provided for one year per module from the enrolment date of each individual module.

Assessment re-submissions are subject to an additional tutor and administration support fee. Correspondingly, for delegates who have been supported through a plan or plan/draft and choose to defer the module, the additional tutor and admin support fee will also apply. Please refer to the assessment timetables for further information on additional costs by course qualification level. CIM Membership and Assessment Fees are paid by the delegate or their employer directly to the Awarding Body (CIM). In some cases, OXPEG will pay the CIM membership fee on behalf of the delegate. In these cases any refund will be for the course fee less the CIM membership fee.

If a delegate fails to give OXPEG written notice within 60 days of their intention to cancel or not attend a class, this will result in their classroom place being forfeited and OXPEG shall not be liable to compensate or reimburse the delegate in respect thereof in any manner whatsoever.

Upon successful completion of a CIM course, an additional 6-months access to OXCOM Learning will be given to enable you to study any Project Management course (if applicable) and access any course resources. Further extensions may be agreed at OXPEG’s discretion on a case-by-case basis and may be subject to a renewal charge.

CIPS Courses

When a full course is purchased, support is for a maximum of 3 years, commencing from the enrolment date onto OXCOM Learning. For delegates who opt to pay on a modular basis, support will be provided for 6 months per module from the enrolment date of each individual module.

For delegates paying for the full course upfront, CIPS e-books and/or exams package can be selected and purchased upon application. OXPEG will then arrange the above on your behalf.

The course fees do not include the annual CIPS membership. CIPS membership is paid directly to CIPS. CIPS assessment fees can be paid directly to CIPS or OXPEG and depending on where the delegate is sitting their exam there may be extra local charges.

The college fees include one mock exam per unit. Delegates who are unsuccessful in their assessments and wish to submit another mock examination will be subject to an additional fee.

If a delegate fails to give OXPEG written notice within 60 days of their intention to cancel or not attend a class, this will result in their classroom place being forfeited and OXPEG shall
not be liable to compensate or reimburse the delegate in respect thereof in any manner whatsoever.

Upon successful completion of a CIPS course, an additional 6-months access to OXCOM Learning will be given to enable you to study any Project Management course (if applicable) and access any course resources. Further extensions may be agreed at OXPEG’s discretion on a case-by-case basis and may be subject to a renewal charge.

**ISM Courses**

When a full course is purchased, support is for a maximum of 3 years, commencing from the enrolment date onto OXCOM Learning. For delegates who opt to pay on a modular basis, support will be provided for 6 months per module from the enrolment date of each individual module.

For all Institute of Sales Management (ISM) qualifications, delegates must pay the ISM Membership and ISM Learner Registration fee directly to OXPEG before the delegate can be enrolled on OXCOM Learning.

Delegates must fill in the forms attached to their enrolment email for OXPEG to process their ISM Membership and ISM Learner Registration. Once these forms have been sent to the named person at OXPEG, the delegate will be uploaded to the ISM for their ISM Membership and ISM Learner Registration.

ISM Membership is valid for 1 year and the ISM Learner Registration fee is valid for 2 years. Delegates are responsible to inform OXPEG of when these need renewing.

If a delegate withdraws from the course and requests a course fee refund (within the refund terms) and the ISM Membership and ISM Learner Registration fee has already been paid, this is non-refundable.

Upon successful completion of an ISM course, an additional 6-months access to OXCOM Learning will be given to enable you to study any Project Management course (if applicable) and access any course resources. Further extensions may be agreed at OXPEG’s discretion on a case-by-case basis and may be subject to a renewal charge.

All assessment fees and certificates are included in the course fees. A fee will apply for any replacement certificates.

**CMI Courses**

When either the CMI Level 3 Diploma in Principles of Management and Leadership or the CMI Level 5 Diploma in Management and Leadership is purchased, support is provided for a maximum of 2 years, commencing from the enrolment date onto OXCOM Learning. For delegates who study either the award or certificate, support will instead be provided for 1 year. If the student opts for the level 5 diploma payment plan, 2 years of support will be given from the date the first instalment is paid.
For all CMI qualifications, membership fees and workbooks are paid for on the delegates behalf by the college. If studying an award or certificate, membership lasts one year while, if the student studies the diploma, membership extends to three. With regards to books, postage will be covered by the college unless the individual resides oversees. In this case, the delegate will need to pay for this fee themselves.

Once payment has been confirmed, the student will be enrolled onto Management Direct where they will be able commence with their study journey.

If a delegate withdraws from the course and requests a course fee refund (within the refund terms) and the CMI membership and workbook has already been paid by the college, this will be non-refundable.

Upon successful completion of a CMI course, an additional 6-months access to OXCOM Learning will be given to enable you to study any Project Management course (if applicable) and access any course resources.
