Policy Review Date: April 2024

Health and Wellbeing

The wellbeing, health and safety of our learners are our top priority. When it comes to Covid-19 and other viruses, we are guided by the rules provided by the UK government.

We are happy to announce that our face to face classes have returned where possible, but we still offer two types of online learning if in-person teaching does not suit your needs. Unfortunately, we cannot guarantee that all face-to-face classes will run, as they are dependent upon demand and location availability. However, we endeavour to run as many face to face classes as possible and we will always provide you with alternative options should we cancel your preferred class. Please see our [Terms & Conditions](#) for more.

We are continually working hard to ensure we are compliant with the latest government advice. If you do feel unwell or test Covid-19 positive before a face-to-face class, we ask that you do not attend, in order to minimise the risk of spreading diseases. We can be flexible with providing alternative options
